

HOME VALUES

Use two different colored pens. Using the first color, circle the values that are currently built into your home. For example, if you have a place for a family dinner, your home might value family. Or if you have an in-home office, your home might value solitude or work. With the second color, circle the values you would LIKE to be built into your home life. If there is something missing on the list, add your own value.

Privacy	Efficiency	Nature	Togetherness
Community	Family	Connection	Heritage
Beauty	Solitude	Wellness	Balance
Spirituality	Independence	Education	Minimalism
Creativity	Competition	Curiosity	Grandness
Serenity	Joy	Commitment	Solitude
Cleanliness	Adventure	Gratitude	Independence
